RE: PCB Treatment Inc. Generator/Broker Customer Status Report
Work Assignment C07009, Task 11

Attached is a printout of all the generators and the broker customers. There are 1,570 parties included on this list. The printout shows whether they are a generator, HVM broker customer, Trinity broker customer, SD Meyers customer and whether or not they have settled with the Steering Committee, are a Federal party or have been designated as "NFA". I have also provided separate printouts for Settled Parties only (568) and "NFA" parties only (27).

If you have any questions, please call me at 551-5024.
